Re: U.S. v. Arturo Rojas-Jaimes 05-CR-708

Dear Judge Hellerstein:

I received a call this afternoon that my client, Arturo Rojas, was brought to Lutheran Medical Center early Sunday morning because he was experiencing seizures. As Your Honor knows, Mr. Rojas has been recuperating from the traumatic brain injury and subsequent surgeries which occurred in January and February.

I would like to have Mr. Rojas' recent medical records released to me so that I can have Dr. Govindan Gopinathan, a neurologist from the New York University Medical Center, to review his file and give his medical opinion about what is happening to Mr. Rojas.

The records I am seeking are the records from January 26, 2008, when he was hospitalized just prior to his sentencing and the current records starting Saturday March 8, 2008.

I have spoken with Mr. Sahni who does not object to this request. I have attached an order for Your Honor to sign if this request is granted.

Very Truly Yours,

Johanna S. Zapp
